Dave noted that at the recent club officer's meeting, there was discussion about raffling off a handheld like we did last year. ## Net Report

Hello all SWARCers! Here are the numbers for July of 2012. All net reports are accounted for. The members participating are down a bit from June. I would love to see that change next time around. Here are the numbers as follows.

Net Sessions: 31  
SWARC Members Participating: 18  
Visitors Participating: 44  
Total Check Ins: 422  
Average of 14 check ins per night

### Net Controls

KJ4CVK ran 10 nets  
AJ4NX ran 6 nets  
NC4MP ran 5 nets  
KT4JR ran 4 nets  
KK4BVU ran 4 nets  
KA0GMY ran 2 nets

### Top 10 Check Ins

For the check in champ, I am pleased to announce that we have a 3 way tie between NC4MP, KT4JR, and K4MWE with an almost perfect 30 check ins each. The runner up is KJ4CVK with 24 check ins. Then we have Big Ugly KA0GMY with 23 check ins. Next is the butcher KK4BVU with 22 check ins. Next is the lovely and intelligent KG4RMT with 9 check ins. We follow her with more intelligence, KI4YII with 7 check ins. Then we have KD4KII with 5 check ins. Next on the list is KK4ATD with 4 check ins. Then we have KJ4DNS, KI4GNC, and KJ4AEO with 3 check ins each. Rounding out the top 10 is W4DBI, W4TAR, KI4VBA, and AK4LK with 1 check in each.

Those are the numbers I have for July 2012. I would like to thank the net controls for continuing to volunteer their time to call the nets. Some of you might be wondering why is it that one net control called 10 check ins vs. the other net controls? Reason for that is because KJ4CVK has been pulling double duty here lately by calling Sunday and Wednesday nights. Just a reminder, we are in need of a regular net control for Sunday nights. If anyone is interested in calling the Sunday night nets, please send me an email to [aj4nx@yahoo.com](mailto:aj4nx@yahoo.com). That is all I have this time around. 73 till next month!
